MERIT – QUALITY FOR LIFE

You will know.

You've likely never been to a foundry. Never seen an artisan transform molten metal into a masterpiece of everyday living. Still, you will know. Close your hand around a custom-crafted piece from the Merit collections, and you immediately understand that it's different. Better. You feel its precise weight in your palm. You trace its finely realized features.

And you know. People have an innate sense of quality and authenticity. When they encounter the finest handcrafted objects, they simply... know. Enhance your home with Merit decorative hardware, and your family and guests will know, too. They'll experience the unmistakable quality that Merit has brought into America's finest homes for more than 125 years.

MERIT – QUALITY FOR LIFE

SCREEN DOOR

You can blend the demands of modern living with the hand-finished excellence of centuries past. Simply turn to our solid brass hardware for screen and pocket doors. Unmatched mechanical quality... undoubtedly Merit.

POCKET DOOR

Pocket Door hardware has never been easier to select. Made of all solid brass, Merit's 1781 Series Pocket Door hardware is available in two sizes – the 1 ¼" and the 2 ½" backset. The 1785 series is available in a 2 ¾" backset. All pocket door sets are available in entrance, passage and privacy functions. Enhance the function of your installation with our 1784 solid brass, spring-loaded edge pull. Or, select the 1780 Flush Pull, which you can specify for the 1781 & 1785 privacy applications.

HINGES
